

REFORMATION 500 Conference and Celebration Service

30 & 31 OCTOBER 2017

THE CHURCH NEEDS A NEW REFORMATION

We desperately want God to bless our country. However, we cannot expect a Holy God to bless those who are in rebellion to His Laws. As in the days of the Reformers in the 16th Century, today we are facing a complex series of both internal and external threats.

FACING THE THREATS

Internally we are facing a renaissance of paganism. Externally we are facing an increasingly aggressive and radical form of Islamic *Jihad*. Even more seriously, there is a severe crisis in our churches. Most of our people are ignorant of history, and have a very superficial grasp of Scripture. As a result, many professing Christians are compromising, cowardly and ineffective. Our churches are filled with weak, worldly, lukewarm and inactive members. The salt has lost its flavour, and all too often the light is being hid under a bushel.

HIJACKED BY HUMANISM

With many Christians in defeat and retreat, we are facing a resurgent paganism, a pervasive humanism and an aggressive Islamic radicalism. It would appear that humanism has hijacked many churches. Theistic Evolution is uncritically accepted, worldly entertainment and a degenerate form of music predominates in all too many youth groups. *Antinomianism* and *Egalitarianism* are pervasive. All too many churches seem to be increasingly conformed to the world, rather than transformed by the renewing of their minds.

THE DESPERATE NEED FOR REVIVAL

There is a general neglect of prayer, a lack of fear of God and a shocking ignorance of basic Biblical Doctrine. Many churches have become self-centred, materialistic, superficial, sensational and self-indulgent.

What is needed if we are to rescue our churches from worldliness and work for
**Biblical Reformation
& Spiritual Revival?**
