# Do you want to change your world for Christ?

*“Always be ready to give a defence....”* 1 Peter 3:15

## Is Revival the prayer of your heart?

The **Biblical Worldview Summit** applies the Lordship of Christ to all areas of life.

**Those who understand the ideas that rule the world will have the opportunity to influence the world of ideas.**

The Biblical Worldview Summit prepares young people practically to deal with the issues, temptations and pressures of life. Young people are equipped with the facts and skills they need to deal with atheism, humanism, Hollywood and evolutionism.

The Summit is primarily aimed at young people (ages 13-28), but adventurous adults are also welcome. As a family friendly camp, there will be a parallel programme for younger children.

The Biblical Worldview Summit focuses on life changing ideas.

Everyone has a “*worldview*”, a way of interpreting everything that happens in the world. The Bible has an explanation for the universe, but so do Secular Humanists, Evolutionists and New Agers. Each of these worldviews is founded on ideas. **Ideas have far reaching consequences.**

We see much of the world becoming worse because most Christians are not practically involved. We need to be the salt of the earth and the light of the world. We need to show the world that the Christian Faith makes a positive difference in every area of life.

It is time to **reclaim our Christian heritage** and to demonstrate to the world that **the Bible has the best answers to society’s most pressing problems.**

To do this, we need to **understand the times** in which we live and learn to effectively defend and clearly communicate, the Gospel to a needy world.
