DO YOU WANT TO CHANGE YOUR WORLD?

If so, then join us for the inspiring and life-changing **Great Commission Camp**, held at a forest campsite by a lake.

The **Great Commission Camp** (30 December 2016 - 4 January 2017) will provide an ideal introduction to Missions with the theme of Reclaiming Africa for Christ.

FRONTLINE FELLOWSHIP pioneered Missionary work in war-torn Mozambique and Angola in the early 1980's and in Islamic Sudan since 1995. Frontline Fellowship smuggled over 500 000 Bibles and Christian books in 24 languages into Sudan, and has trained many thousands of pastors, teachers, chaplains and medics in restricted access areas.

The **Great Commission Camp** has been designed by **FRONTLINE FELLOWSHIP** as a uniquely practical missionary training programme for those who desire to be more innovative and effective in cross-cultural Evangelism and Discipleship.

If you want to see behind the scenes of what is actually involved in cross-cultural missionary work, particularly in areas where Christians are persecuted for their Faith, then the **GCC** is for you.

The **Great Commission Camp** starts on Friday 30th December 2016. It will then be followed up by an intensive training course with daily outreaches and practical, hands-on ministry.

At the **GCC**, you will enjoy fellowship with other missionary-minded Christians and receive firsthand report backs with slide presentations, films and PowerPoints from **Europe, Nigeria, Egypt, Sudan, Kenya, Zimbabwe, Zambia, and the Congo**. In addition, there will be great Bible teaching, challenging discussion groups, practical workshops, hikes, problem solving, and team building practicals.

If you are serious about Missions, attend **Frontline Fellowship's Great Commission Course** in Cape Town, South Africa. This is an intensive, practical hands-on, three week course; daily PT, intensive Bible study and lectures all morning, outreaches and practicals every afternoon, including film evangelism, Muslim Evangelism, mass literature distributions at railway stations and bus stations, personal, one-on-one Evangelism, and either outreaches or more training in the evenings, topped up with regular late night hikes, up and over mountains. The course also includes numerous other tests, evaluations and practical Assignments.

Go therefore and make disciples of all nations, baptising them in the Name of the Father and of the Son and of the Holy Spirit, teaching them to obey all things that I have commanded you, and lo, I am with you always, even to the end of the age.'"
