

DECEMBER 2018 – ANNUAL REPORT

Dear Friends and Intercessors.

We greet you in the precious Name of our Lord and Savior Jesus Christ.

CONSIGNMENTS

This year, Literature4Africa received 6 container shipments including 125 pallets, 3,666 boxes, 3,588 study packs of free Christian resources between 01 December 2017 and 30 November 2018. That exclude the pallets of English and Afrikaans World Missionary Press booklets we received in March 2018, and the African Local Language Bibles received from the Bible Society sponsored by Operation Mobilisation Special Projects in May and August 2018. Having materials still in store from the latest consignment, we distributed over 90 tons of resources during 2018 so far.

STATISTICS

We received 28,695 Bibles; 58,620 Theology and Library books; 390,000 Children Sunday School booklets and manuals; 168,000 Tracts; 10,500 Chapel Library booklets; 144,000 Gospel of John and Epistle of Romans booklets; 71,640 Group and Personal study books, 39,900 Bible Study Books; 74,500 World Missionary Press Gospel booklets; 189,000 Devotional booklets and Magazines; 1,650,000 DVDs and CDs. A total of 2,824,855 Scriptural, Evangelistic and Discipleship items received from overseas for free distribution throughout Africa.

MOVING MOUNTAINS

Highway Ministry focus on Evangelism and prayer for long distance truck drivers in the Gauteng and Limpopo provinces. They collected 8 tons of materials in the beginning of 2018. From time to time, Logos Carriers will take boxes of materials to the Eastern Cape, Kwazulu-Natal, and Gauteng regions and service those many email requests Literature4Africa receive from ministries in need.

In the beginning of August 2018, the Literature4Africa store were filled to capacity and we could not store another consignment of resources. We lodged a project called, "A Pallet a Pastor" and Africa Theological College collected 8 tons for the Khayelitsha ministries. With the help of more Pastors and ministries who had the ability and resource to collect, store and distribute a pallet of materials, we moved mountains and experienced an empty store by early November 2018.

The 29 tons of materials outside our store, palletized and waterproofed for the Zimbabwe churches could not be collected in the first quarter of this year as planned. On the 26th of November 2018, a transport company called *Special Loads* collected these 29 tons of materials. They offered to assist by transporting a few pallets at a time to churches and ministries in the northern provinces of South Africa.

A NEW OPPORTUNITY

It was important that we clear the Literature4Africa store, not only for the pre-arranged consignments expected from Eagles Nest in 2019, but Literature4Africa also accepted an offer to co-ordinate the distribution of World Missionary Press booklets on their behalf in Africa. All these resources received from the ministries in the United States is of immense value and help in fulfilling the great commission in Africa.

CROSS BORDER MISSIONS

Together with Ben from the Presbyterian Evangelistic Fellowship, our missionaries, John, Abraham and Hunter went to the Nuba Mountains, South Sudan. They distributed 32,000 Bibles to 130 schools, during various outreaches and ministry opportunities. A few months later, Abraham and his team traveled over fifteen thousand kilometers throughout Zimbabwe, Mozambique, Zambia, Malawi, Tanzania, Namibia and Swaziland. Due to a generous donation of African Language Bibles, our Frontline mission team could distribute 238 Local Language Bibles, 39 Boxes of Local Language, 206 English Bibles and other materials received by Literature4Africa. A total of 22,450 Gospel booklets, Leaflets and Tracts were distributed to Pastors and Evangelists on this 7 country mission.

LOCAL LANGUAGE BIBLES

From the Literature4Africa store, we distributed 32 Afrikaans Bibles mostly in the Western Cape and Northern Cape regions, 74 Xhosa Bibles in the Western Cape and Eastern Cape regions and 30 Zulu Bibles in the Kwazulu-Natal region. A total of 136 South African Local Language Bibles were distributed during 2018.

MINISTRY OPPORTUNITIES

Throughout the year Literature4Africa responded and participated in various ministry opportunities and invitations. This included two Radio Interview opportunities at CCFM, the Homeschool Expo, The Triune Theological Seminar, Evangelical Bible College and the Mighty Men Conference Western Cape. We held a Biblical Worldview Seminar for Pastors in Atlantis and recently a Biblical Preaching workshop at Frontline mission where Theological materials were distributed. Literature4Africa also had the opportunity to do a Literature Evangelism presentation to all leaders at the Lighthouse Church in Belhar. The Baptist pastor Fraternal in the Mitchell's Plain area invited Literature4Africa for an exhortation and a presentation about Literature4Africa resources. The most challenging invitation I responded to was received by the leadership of the Saint Paul's, Church of England. This church is located in Lavender Hill, the most dangerous township on the Cape Flats. On both occasions, early in the year and then August 2018, the doors of the church had to be closed during my sermons due to gangster related gunshots around the church. Once a month the Rondebosch police station have a devotion and prayer meeting which Literature4Africa attend regularly. All these events present opportunities for literature distribution.

SORTING AND ORGANISING MATERIALS

This year, Literature4Africa received mission volunteers, Ray and Alpha to assist with duties on the floor and with helping visitors on our collection days. Due to these helps we could work through each green dot and purple dot boxes marking what their exact content was. The green dot boxes we term 'Lucky Packets' and they began to move much faster and became popular since the collectors discovered that those boxes could have sweaters, picture frames, Bible bags, backpacks and all sorts of interesting items mixed with study materials.

WHAT I HAVE LEARNED

Theological resources are very expensive and the average middle class Bible College student cannot afford to buy Bible Concordances, Dictionaries and Commentaries. The lay person is motivated to read their Bibles due to the way in which they are enriched by the Group study packs. Many pastors are motivated to start a Christian Library at their churches. Youth leaders are encouraged to be more constructive and Biblically centered in their discussions. The giant print materials as well as the audio & visuals is a great blessing for the senior adults. The Lord works everything in His time according to His purpose.

PRAYER REQUESTS

In most cases people request and select materials relevant to their needs. Please pray that the materials will have a God-honoring and pleasing effect on the lives of those who receive and use it. Pray for me who in many cases must advise and counsel which materials will best suit the ministry event or individual need. Please pray for wisdom, patience and discernment in dealing with different church organizations and individuals from different background and cultures. Pray that the Lord will provide Literature4Africa the finances to purchase a forklift. Please pray for the email requests and logistics involved with transport and postage of materials. Also pray that Literature4Africa will honour God in all areas of its ministry.

WE TRANSFER

Apart from the selected pictures in gallery below, Literature4Africa will transfer all pictures taken during 2018. This we transfer through "wettransfer" (<https://wettransfer.com/>) which is a free platform from which one can receive bulk pictures to download. A notification will be sent to your email address with a link from which pictures can be downloaded.

WITH GRATITUDE

We would like to thank Steve and the team at Eagles Nest (Love Packages), Edwin L Hodges, Helen and the team at World Missionary Press, Nate Maxson at Chapel Library, George Verwer of special projects at Operation Mobilisation as well as the team at Ligonier Ministry and St. Andrews Chapel for the phenomenal support in the work of God's Kingdom.

Yours for the fulfilment of the Great Commission.

ANSWERS TO PRAYER – FROM THE MAILBAG

Literature4Africa - Testimonies

I sent some of the Bibles that you gave me to a pastor in Port Nolloth. This pastor informed me that his daughter is **Muslim**. He gave one of the Bibles to her and **she converted her life to God**. She changed her life and made God part of her life after a Muslim marriage of 10 years. This new **Muslim convert** sent me this text message; "Hi good evening. Just want to say thank you for the Bible my dad John van der Heever gave me. He said that he got it from you."

My managing director was surprised when I explained about my relationship with Literature4Africa. The fact that I am **a third year theological student** and that I received a Concordance Bible, Greek and Hebrew material as well as different summaries of the Gospels. I am very thankful for the Literature. My managing director was very humble and will be using the material, "How to start and sustain a faith based men's group." The other book you ask me to give him was, "Success over shame" and he will be reading that. Honor, Glory and Power to God for distributing His Word!

A great BIG thank you for supporting us with the **tracts and books**. It was such a big blessing for us to have you guys supporting us and even a much greater blessing to those in **the refugee camps** in Botswana and those in rural Zambia. All the boxes were loaded together with some **Bibles** we received from sponsors and taken to Patricia in Francistown Botswana and Pastor Patrick in Sichili in rural Western Zambia. It was difficult to get pictures from the refugee camps and **the illegal immigrant camps** as security are strict. We are very disciplined to walk the narrow path and so does those we partner with in Africa. Regards.

I was part of the **Project 1 Eight mission team** that traveled up to Zambia. Firstly, we would like to thank Literature4Africa for the generous donation of the Bibles that you sponsored us. We got the opportunity to do some **street ministry and evangelism** in Livingstone and were met with an extreme enthusiasm and incredible hunger for The Word of God. During our stay we developed a strong relationship with a Pastor of a local Church, and leader in the organization that we partnered with. He is an incredibly servant hearted leader who serves his flock wholeheartedly and we learnt so much from him while we were there. He was so grateful for the Bibles that we were able to distribute in the community and we were moved as he explained the need for Bibles in his community.

Thank you for your generous **donation for the elderly**. The Young at Hearts are very grateful for the literature, Bibles and Cd's they received. It was a good gathering but your gift to them made it extraordinary. We opened and closed in prayer and in their prayers we could hear how thankful they are for the literature they received.

I thank you for your input, encouragements and supplying the literature to us. On behalf of the VGK **Robertson Brigade Leadership**, we wish to extend our sincere gratitude to the Literature4Africa and material provided. The leader of the company, Jaco Herwel and his officers welcomed the literature. The company is one of our best performing and focus-driven companies in the brigade – their membership is more than a hundred providing Spiritual, Moral, Physical and cultural activities.

This is just to say thank you for the books that I have received from Literature4Africa. It is a great help since I am currently **doing my Bachelors of Ministry** and text books are extremely pricey. We are involved in **school ministry** among high school pupils. We **wrote a few programs on drugs and gangster-ism**. Occasionally we take some of the kids on a hiking trip for the day which they enjoy as they spend most of their lives just in the area where they grow up. Blessings.

In Swaziland we did door to door with the youth. I cannot express my gratitude enough on the help we are getting from you as a ministry. Highway Ministries, to whom you sent materials, provided our ministry with **tracks, Bibles and Sunday school material**. Considering that our ministries is having members in very remote areas of Swaziland, where most people are not working, we are able as a church to provide to them through our pastors that are teachers in these remote areas, **teachings and Bible studies** and giving to those that can read **Bibles**. In Christ.

The **booklet "Indeed"** is topics, matters and tools we apply and implement as well as share. Also, the **book on "Worship"** has given insight and highlighted vital aspects in worship. There were some things I was enlighten in and shared with some of my team. This booklet is surely **a must have for any worshipper**. I feel like I have been in conversation with the writer as some of the areas he covered are what we share daily. Regards.

Greetings in Jesus Name. We are so thankful for the **children Sunday School packs**. I normally would read out of a children's Bible with a few pictures in the book; but when we received all those materials, I could show more in details with pictures that will make and have made **the little one's understand the Bible story better**. They get so excited when seeing another art of work that display a reflection of a Bible story. It helps them to remember better what we spoke about the previous weeks. After each lesson we would create a song of what we learnt and it's so wonderful having to use the material that makes it so accommodating. We appreciate all the effort and love you and your team put in to all of your ways of sharing the gospel with these materials.

I am writing this email to thank you and Literature4Africa for providing us such valuable materials. I have been a pastor since 2006 and I have pastored 4 different churches and had a privilege to be a missionary in Swaziland. In my church I have 3 services a week, Sunday school for all ages, Bible study as well. The challenge has been getting the materials for my study and unfortunately South African Christian book stores as been more about the prosperity gospel as appose to sound doctrine about salvation, devotional life and eternity. From time to time I ran out of thoughts, ideas and inspiration to preach what my church needs. I was introduced to **your library books** and I have such great material for myself and for my churches as well.

My greatest testimony after I received material from you is that **I have grown spiritually**. I have been enlarged as a preacher. My sermons changed and I notice a change in our churches in terms of spiritual growth spiritually and in numbers. I am so blessed by **the material of revival of 1800's and early 1900's** and I couldn't get that in our local stores. I have **a library in my church** and register a to monitor how people are using the material. People are reading and that's a blessing to see people contending, working out their own salvation. Thank you once again for this blessing I would like to encourage you to continue helping us and I'm sure the team might never meet on this side of life but in eternity it will be all worth it.

I hope my colleague will be able to come soon to take half of the Bibles to the **University of KwaZulu-Natal**. With Thankfulness.

4Word 's mandate and call from the Father is to create a safe haven for whomever are in need of a quiet place from the busyness of life to just find a space where they can quiet themselves and listen to the voice of the Holy Spirit. **The Christian bookroom functions like a library where all materials, which includes books and media are borrowed free of charge.** The heart and call behind the bookroom is to provide material that can serve the layman, the student, the pastor, the housewife, father, mother and child. Materials that can be freely borrowed and excludes no one who cannot afford it.

My hope and vision is **to see many more Christian bookrooms open up across the city and country** that can serve the Body of Christ as well as those hearts searching for the Truth. To date that vision has become a reality and **eight bookrooms are up and running**, each with their own unique God given function in their area of influence. All honor to Jesus. The donations of books, bibles and media, that I have received from Literature4Africa has made the vision a reality. **Bible school students from Africa** have received study bibles and books from donations you gave and has helped them greatly. I thank you from the bottom of my heart for the service you do in the Kingdom of God to further the work of the Gospel in educating and equipping the Church to fulfill its mandate. May you be richly blessed and cared for in Jesus Name. Yours in Christ.

The books were **distributed amongst the congregation** at Khayelitsha Church of the Nazarene from the workshop. The children and adults were extremely excited for the literature. They came to testify on Sunday how inspiring it was to read about God and how their lives were transformed. As a pastor I could make use of **the leadership guides and training literature** I received. All I can say is to have this material to teach our people is life changing and makes it easier to communicate because **they can now do Word studies on their own** with the books you have provided. Thank you so much so much Literature4Africa.

Greetings in the name of our Lord Jesus Christ. We are grateful recipients of the books that was so lovingly donated by Literature4Africa. May Father God bless you and reward you and your donors for the fruit of your labor. The children are from a blended family. The **father is a practicing Muslim** so I asked permission to give his children Christian coloring books and he gave us permission. Shortly after this, **he allowed the family to go to church**. We give Father God all the glory and pray for the salvation to the entire family. God bless you as you continue the work of our Lord. Yours in Christ Jesus.

This is the story of a Zambian woman and her husband and their small son Abraham. Joseph Kitenge comes from a Christian background and **Fatima grew up in a Muslim home**, although she turned to God before leaving Zambia. Coming to an unfamiliar South Africa caused them to be very dependent on God for all of their needs, a home, clothes, food, books and even a Bible. God laid it on a South African woman to bring **Bibles to this family**. Taking Bibles and books **from Literature for Africa** to a Zambian family has resulted in the following: On Thursday 17 May 2018 a tragic accident happened. Little Abraham accidentally got burnt with boiling water over his face, shoulder, arm, chest and stomach. During the time in hospital, staying beside her little boy, Fatima noticed **all the women in the ward were Muslims**. This was during the season of Ramadan. She was amazed at what God did from then on. **The book of author Mary Baxter, Divine Revelation of Deliverance** which she was busy reading during that time, brought her to an immense amount of boldness into her heart and **she addressed these unsaved women** with a heart filled with holy conviction. She experienced no resistance from the Muslim women whatsoever. They were quiet, listened to her and even nodded their heads. What has become of these Muslim women? If we believe in Isaiah 55:11, then surely no word spoken by God through her, shall return void. What has happened to small Abraham? Within a day or two after ministering to the Muslim women, **his burn wounds started to heal at a radical pace** and he was released on Tuesday 22 May with his pink skin still showing on his face. A mere three days later the pink was gone and was replaced by his own brown skin. It was like a resurrection! Kind regards.

Quite remarkable of the year was the amount of resources which were donated to **Africa Theological College** students and teachers in Khayelitsha. Throughout the years the students began to benefit from the various literature gifts from Literature4Africa. From them every first year received a Study Bible. Some got **Commentaries, Biography books, Strong's Exhaustive Concordances**. . . and then the "flood came." The flood in the way of over **15 tons of books** which Literature4Africa donated to be distributed from the College to pastors and evangelists in and around Khayelitsha. Praise the Lord. Praise be to God for the overseas sources from which these books came – Christian Light Publications, Baptist Student Ministries, Chapel Library, Noon day Baptist Association (Georgia), and Life Way Publications – to name but a few. In this way the College has also spread its Public relations profile. But really we are thankful for the literature support from brethren who love the Lord around the globe.
